SI Arb Commercial Arbitration Symposium 2018
Thursday, 15 November 2018, 11.30am to 6.00pm
The Old Parliament House, 1 Old Parliament Lane, S (179429)

SYMPOSIUM FORMAT

The SI Arb Commercial Arbitration Symposium is now into its tenth year and has developed into a popular annual forum for arbitration practitioners in Singapore and the region to gather and discuss current issues and developments in arbitration in a highly interactive format inspired by the LCIA's tradition of Tylney Hall.

There are no set speakers or speeches. Delegates will be invited to submit topics for discussion or debate in advance of the Symposium. The topics submitted will be grouped into themes for discussion during working sessions. Delegates, whose topics are chosen for discussion, will be invited to introduce their topics. These discussions will be moderated by experienced co-chairs -- typically well-known leading arbitration practitioners or judges from Singapore and abroad. To preserve the quality of discussion and debate, the number of delegates will be restricted so please register your interest early to save a seat.

This year's symposium will again be held at Singapore's old parliamentary chamber, for the 6th year running.

If you would like to attend this Symposium, please complete the response slip below and email it to secretariat@siarb.org.sg or fax to +65 6225 9624. Registration fees will be published shortly and fees will cover the working sessions, lunch and refreshments.
